**NISHANT MARKETING & MANUFACTURING
COMPANY**

SKYLINE ELECTRIC TRADING COMPANY

SKANT & CO.

ABOUT US

Established in 1985 in Kolkata, West Bengal, Nishant Marketing & Manufacturing Company is a sole proprietorship specializing in the trading and distribution of high-performance electrical cables and related solutions. With a strong focus on quality, reliability, and industry standards, the company has earned a reputation as a trusted partner in the electrical sector. Under the strategic leadership of Mr. Bimal Mundhra, NIMCO has continually expanded its product range to meet the evolving demands of power transmission, industrial infrastructure, and commercial applications.

OUR TEAM

Our team of over 30 skilled professionals is the backbone of our commitment to quality and customer satisfaction. With deep industry experience and technical expertise, they ensure the delivery of reliable, high-performance cable solutions tailored to each client's needs. Their dedication and professionalism is one of the key reasons that clients continue to trust us as a long-term partner in the electrical and cable industry.

PRODUCTS RANGE

As a leading distributor of premium electrical cables, we offer a wide selection sourced from reputed manufacturers across the industry. Our product portfolio includes cables in various thicknesses, lengths, and color configurations, allowing us to meet the diverse requirements of industrial, commercial, and infrastructure projects. Valued for their superior quality, combined with our competitive pricing, the cables we supply are well positioned to meet evolving requirements of our ever-expanding clientele.

ARMoured CABLE

FLEXIBLE CABLE

HT CABLE

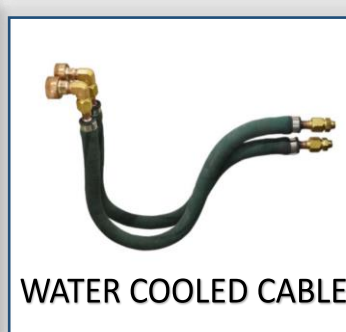

EPR CABLE

INSTRUMENTATION CABLE

STEEL BRAIDED CABLE

WATER COOLED CABLE

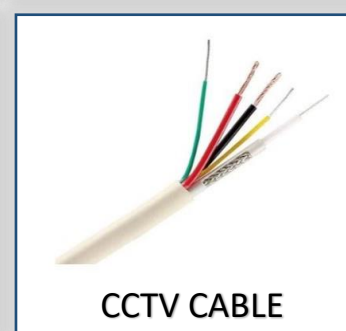

COMPOSITE TRAILING CABLE

FIBER OPTIC CABLE

CO-AXIAL CABLE

CCTV CABLE

TELEPHONE CABLE

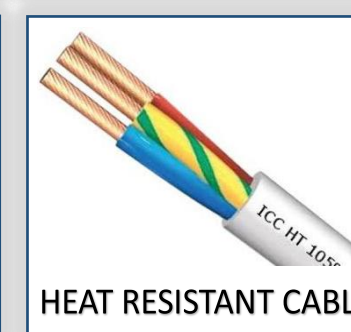

EHV CABLE

FESTOON APPLICATION CABLE

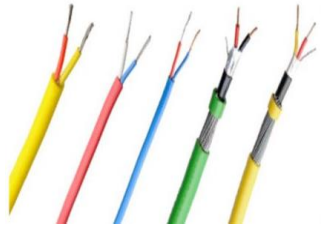

WELDING CABLE

HEAT RESISTANT CABLE

Some of Our Products Range Includes:

COMPENSATING CABLE

MARINE CABLE

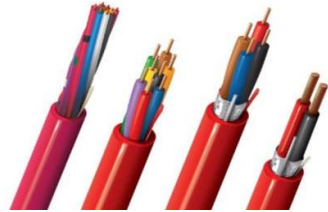

RAILWAY / EBEAM
CABLE

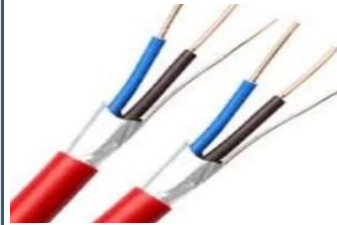

ARIEL BUNCHED
CABLE

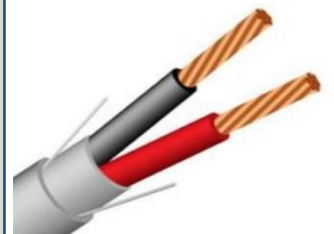

SUBMERSIBLE FLAT
CABLE

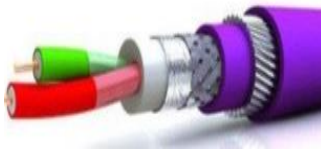

FIRE RESISTANT
CABLE

FIRE ALARM CABLE

SPEAKER CABLE

PROFIBUS CABLE

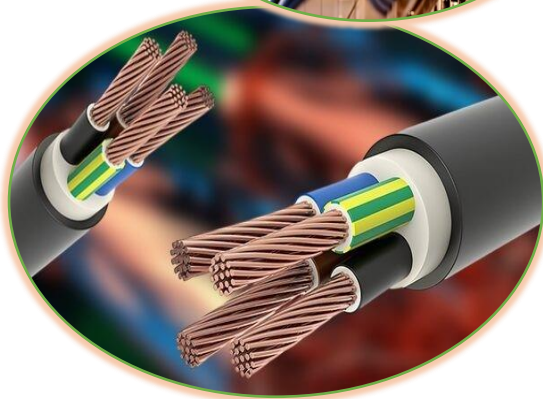

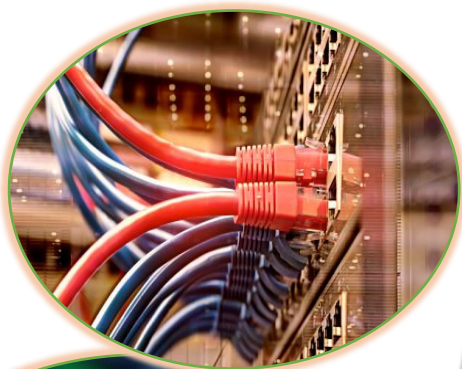

FOUNDATION
FIELD BUS CABLE

DRAG CHAIN CABLE

RENEWABLE ENERGY
CABLE (WIND & SOLAR)

**WE DEAL IN
40K+
PRODUCTS**

We Also Deal in Cable Accessories

Authorised Dealers & Distributors of Companies

- M/s Nicco Cables Pvt Ltd. (Shyamnagar,W.B)
- M/s Apar Industries. (Maharashtra)
- M/s Thermo Cables Ltd. (Hyderabad)

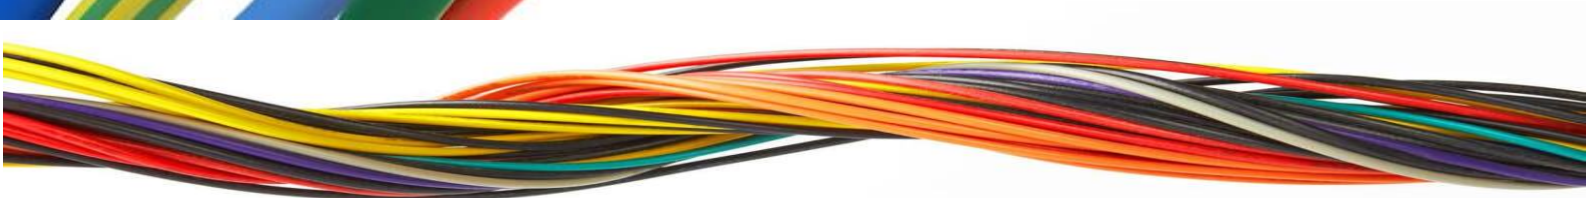

We Also Deal & Trade with The Following Brands for Better Services:

- M/s Polycab India Limited.
- M/s KEI Industries Limited.
- M/s Finolex Cables Limited
- M/s Havells India Limited

And Other ISI & ISO approved brands as per customer requirements.

THINK OF CABLES...
THINK OF US

We have served over **1000 customers**, with over 50% retention rate. Listed below are some of our prominent clients we have had the privilege of serving:

Since 1994, S Kant & Company has served as a valued group company and a strategic business associate of NIMCO, playing a key role in complementing our core cable distribution operations. This association has enabled us to offer comprehensive solutions for cable related requirements including jointing, laying, and connectivity. Through this channel, we primarily focus on the distribution and manufacturing of cable trays, lugs, glands, jointing kits, and a wide range of related accessories. This synergy of SKANT and NIMCO enables us to deliver complete end to end electricals solutions to serve diverse client needs.

Jointing Kits

Cable Glands

Cable Lugs

Cable Trays

We are Authorised Channel Patners

UNICON ENGINEERS

In 2024, we entered into a strategic partnership with an ISO-certified company, Unicon Engineers, a leading manufacturer of air pollution control equipment. Their extensive product portfolio includes Electrostatic Precipitators (ESP), Bag Filters/Bag Houses, Dust Extraction (DE) Systems, De-dusting Systems, and Pneumatic Conveying Systems.

With over three decades of industry experience, Unicon Engineers has established a strong reputation for delivering pioneering solutions. Their expertise spans across design, manufacturing, project management, servicing, and the upgradation of air pollution control systems.

Backed by a vast pool of multidisciplinary expertise, the company has built a significant global presence, successfully serving clients in more than 25 countries worldwide.

Unicon Engineers list of Products

1. Air Pollution Control Equipment's:

- Electrostatic Precipitator (ESP) - Own Design
- Ammonia Flue Gas Conditioning System (Patented AFGC)
- Technology From M/s Heavy Water Board - Government of Atomic Energy- India).
- Bag Filters & Bag Houses
- Multi Cyclones
- Wet Scrubbers
- Candle Filter for Mist Elimination
- Low NOx Burner
- SNCR
- SCR

2. Spares:

- Spares for Electrostatic Precipitator (ESP)
- Spares for Bag Filters

3. Engineering Procurement & Construction (EPC Division):

- EPC of Biomass / Thermal / Hydel Power plants (up to 60MW)
- Balance of Plant for Power Plants Except Boilers & Turbines

4. For Process Industries:

- Pressure vessels - MOC -SS, MS, A516 Gr70.etc
- Storage tanks - MOC - SS 316ti, SS 304, SS 316L... etc.,
- MS Heat Exchangers
- Agitators
- Jacketed Vessels
- FRP Lined Storage Tanks

5. Spares for Cement Plants:

- Cyclones / Multi
- Cyclones Vortex Finder
- Kiln Shell & Shell Segment
- Immersion Pipe for PH Cyclone
- Double Flap Valve
- Spring Plate
- Expansion Joint
- Rope way Bucket, Bucket for Belt Bucket Elevator, Bucket for DBC Bucket Carriage
- Box Head for Bucket Carriage
- Operators Cab Assembly
- Coal Feed Ventury
- Wearing Plates, Linear Plate & Lifter Plate
- Diaphragm / Diaphragm Segment
- All Type of Ducts
- Angle Ring for Cyclone and Brick Holder Beam
- Sealing Frame
- Centrifugal Fan's, Blowers

6. Valves:

- Slide Gate Valves: Manual, Pneumatic Operated
- Double Flap Valves
- Double Cone Valves
- Rotary Airlock Valves
- Clam Shell Gate Valves
- Dome Valves
- Inlet Valves

7. Material Handling Systems:

- Pneumatic Conveying Systems.
- Ash Handling Systems - Dense Phase, Lean Phase.
- Spares for Ash Handling Systems
- Belt Conveyors
- Screw Conveyors
- Drag Chain Conveyors
- En-mass Conveyors
- Fuel Handling Systems

8. All Fabricated Items - Chimneys, Ducts, Plate & Structural Fabrication etc.

9. Service Division:

- Erection, Commissioning and Revamping & Modification of Existing ESP's
- AMC for ESP's.
- Revamping & Modification of Existing Bag filter.
- Erection of Clinker coolers.

NEW DEVELOPMENT

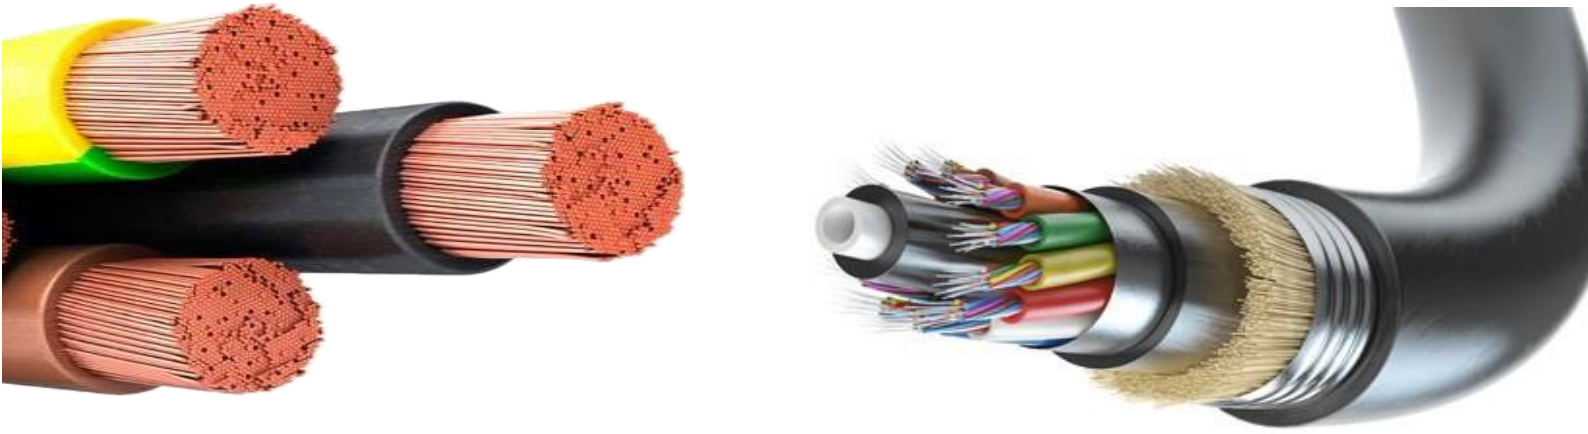

CONVMECH INNOVATIVE ENGINEERING SERVICES

We are also associated with Convmech as their agent. They offer bulk solid material handling products and systems, designed for efficiency, quality & reliability, which include OEM & their end-users, viz. Conveyor, stacker-cum-reclaimer, ship unloader, ship loader, Wagon tippler, Crusher, Feeders, Rapid loading System, and Entire Conveyor Systems. They specialize in optimizing customer's required in services new projects, upgradation, refurbishment, renovation & spare parts of enlisting equipment

Convmech list of Products

- BELT CONVEYORS
- IDLERS & ROLLERS
- RADIAL STACKERS
- PIPE CONVEYOR
- SHUTTLE CONVEYOR
- BELT FEEDERS
- TRAVELLING TRIPPER / CAR
- V-PLOUGHFEEDER / DIVERTERS
- TWAO WAY, THREE WAY CHUTE / FLAP GATE
- SECTOR GATE
- RACK & PINION GATE / SLIDE GATE
- MOBILE STACKER CONVEYOR
- SCREW CONVEYOR
- ELEVATORS
- VIBRATING FEEDER
- CONVEYOR's COVERS / HOOD
- SCREW TAKE UP
